NEWS RELEASE

FROM: THE HOUSE OF ASSEMBLY MEMBER FOR UNLEY (MR. GIL LANGLEY)

SUBJECT: ROAD CLOSURE IN UNLEY

9/1/75

Executive Council today approved an amendment to the Road Traffic Act to permit the closure of 34 streets in Unley.

The area where the \$70,000 traffic control scheme will take place is bounded by Unley, Greenhill, Glen Osmond, Fullarton and Cross Roads.

The House of Assembly Member for Unley (Mr. Gil Langley) said today that the decision to go ahead with the street closures followed extensive investigations by the Corporation of the City of Unley, the Highways Department and the Road Traffic Board.

Mr. Langley said it was considered that the road closures would create a safer and more desirable environment for both residents and motorists.

The Minister of Transport (Mr. Geoff Virgo) said the use of residential streets, by other than local residents, would be discouraged by the replacement of cross intersections with T-junctions.

Mr. Virgo said that besides the street closures, traffic lights would be installed at the intersections of Duthy Street and Unley Road with Wattle Street.

This would probably be done next financial year under stage two of the project.

Other traffic signals could also be installed on Unley and Fullarton Roads.
